Notice of Proposed Changes to Water Service Rates Filed with the PUC

Avion Water Company, Inc. submitted a general rate revision filing with the Public Utility Commission on April 10, 2026. The purpose of this announcement is to provide you with general information regarding the utility's proposed changes and the effect it may have on you. Customers may request to receive notice of the time and place of any hearing on the matter by contacting the Public Utility Commission of Oregon, Administrative Hearings Division, at 503-378-6678. The calculations and statements contained in the water utility's filing and this notice are not binding on the Commission.

If approved, the average monthly total for residential and commercial metered water service would differ by the following:
